Subject:- Cycle advance.

No.S-3-11740 of 1947. Poona 1, 5 May 1947.

The Agricultural Entomologist to Government, B.P., Poona has approached me with a request to sanction an advance of Rs.60/- to Mr.N.D.Baad, Temporary Agricultural Assistant in the scheme for investigation of some pests of Rice Crop, at Kumpta (Dist. N.Kanara), for purchase of a bicycle for his use. The period of this scheme is extended upto 29th February 1948 as per Government Resolution, Reconstruction Department, No. 10267/39 dated 10th February 1947.

In this connection, I approached the Accountant General, Bombay to let me know whether an amount of Rs.60/- would be made available, in order to enable me to sanction the advance applied for by Mr.Baad. The Accountant General, Bombay states that as Mr.N.D.Baad is a temporary Government servant, sanction of Government is necessary to grant an advance for the purpose of a cycle and that the amount of Rs.60/- will be made available when the advance is sanctioned by Government. A copy of the Accountant General's letter No.T.M.8/67 dated 14.4.1947 is enclosed herewith for the information of Government. I would therefore request that Government may please be moved to sanction the grant advance of Rs.60/- to Mr.N.D.Baad for the purchase of a cycle. The amount will be recovered in equal monthly instalments, before the period of the scheme will terminate.

for Director of Agriculture.

Copy of letter No.T.M.8/67 of 14.4.1947 from the Accountant General, Bombay, to the Director of Agriculture, B.P., Poona, regarding - Cycle advance.

With reference to your letter No.S-3/5425 dt.15.3.47 on the subject noted above I have the honour to state that as Mr.N.D.Baad is a temporary Govt. servant, sanction of Govt. will be necessary to grant him an advance for the purchase of a cycle vide rule 293(a) of F.P. No.I. The amount of Rs.60/- will be made available when the advance is sanctioned by Government,

---

servant working as Agricultural Assistant in the scheme for investigation of some pests of rice crop sanctioned in G.R. No.10267/39 dated 15-8-44 and continued in G.R. of the same No dated 10th Feb 1947 for a further period ending with 29th Feb 1948, the Director of Agriculture has, under rule 293 (a) of F.P.No.1, approached Government for sanction to the grant of advance of Rs.60/- to Mr. Baad for purchase of a bicycle.

The A.G., who was consulted by the Director in this connection, has reported that an amount of Rs. 60/- will be made available to Mr. Baad provided Government sanction is obtained. The advance of Rs.60/- may therefore be sanctioned after U.O.R. to the F.D.

As regards the recovery of the proposed advance, the Director has not stated the number of equal monthly instalments in which the advance, if sanctioned, will be recovered from the applicant. He has, however, stated that the same will be recovered in monthly instalments before the period of the scheme will terminate i.e. before 29th Feb 1948 unless the period is extended further. It would thus be observed that a period of about 9 months is still to elapse within which the advance will have to be recovered. Since it has to be recovered in equal monthly instalments with the additional instalment of interest, it will ~~therefore~~ take about 7 months for the recovery of the advance with the interest thereon provided the instalment is fixed at Rs.10/- P.M.

In the circumstances the advance may be sanctioned and the Director be asked to recover it in six equal monthly instalments of Rs.10/- each with an additional instalment of interest.

The appended draft letter may issue after U.O.R. to F.D.
